Subject - Scale of pay of Typists and Steno-Typists of the Municipality

---

With reference to correspondence ending with your letter No 2806 dated 16-9-1948 and in continuation of this office letter No M4 394/47-48 dated 28-9-1948 regarding the above, I have the honour to state that Sri S Satyanarayana Rao and Sri D V Singalachar who are the seniormost steno-typists of the Municipality represented that they may be given the scale of pay of the First Grade Steno-typists sanctioned for Government Departments in as much as they are fully qualified by passing senior Shorthand and Typewriting Examinations and their prospects would have been better if they had

been employed in Government Departments where they would have been given first grade pay and that their work in the Municipality is no way less than the first grade Steno-typists of other Government offices etc ,(copy of which is enclosed for ready reference) The application was referred to the Pay Revision Committee of the Municipality

The Pay Revision Committee who considered their application as also the financial implications thereof recommended, that in view of the slender financial position of the Council, these two officials may be given Rs 60/- in grade Rs 45-3-60-4-100 of the II grade of Steno-typists, from 1-9-48 The Council have also approved of the recommendations of the Pay Revision Committee (copy enclosed)

I send herewith 5 copies of allocation statement prepared in accordance with Govt Order No L 15425-6/M1 11-47-78 dated 1-4-1948 and Council Resolution ~~resolution~~ dated 6-10-48 (copy enclosed) and to request that sanction of Government may kindly be obtained early

7 Ml and Local Bds

Recently, Government in their order No Fl 3966-4035/S & A 25-47-45 dated 16-1-1948, have passed orders, revising the scales of pay of steno-typists and typists in all the Government Departments wherein they have sanctioned two grades, the senior grade being Rs 75-5-100-10-150 EB 10-200, the qualification prescribe therefor being Senior Shorthand and senior Typewriting Further, Government in their order No L 15475-6/Ml.11-47-78 dated 1-4-1948, have directed that the scales of pay sanctioned in G.O. dated 16th January 1948 be made applicable to the Mysore City Municipality also. But the Council has been pleased to sanction the adoption of the second grade of Typists, viz , Rs 45-3-60-4-100 to all the 5 typists and steno-typists in this Municipality, probably on the score that there is notm much of shorthand work

In this connection we beg to humbly bring to your kind notice that though there may not be much shorthand work for all the Typists, ours is an exception and we may be state without hesitation that the work we are to turn out as Personal Clerks is in no way less in quantity or inferior in quality to the work turned out by the steno-typists in the Secretariat This fact is well known both to the President and the Commissioner with them with whom we have to work both in the morning and late in the evenings The inspection notes itself besides other work, require the services of one full time Steno-typists, for each officer But we are managing with the

strenuous work in the hope that our good work will be recognised and justice done.

In this connection we may also mention that the higher scale of pay has been given to the stenographers working in Bangalore City Municipality Both of us have put in six years of service and the scale now given is too low when compared with other Departments and Bangalore City Municipality

We therefore request that we may be given the scale of the first grade steno-typists in view of the heavy work, responsibility and qualifications, with effect from the date of the Government order, viz , 16-1-1948

Requesting the favour of very early orders in the matter
